What our fans are saying!

“Many thanks, Josh, for coordinating tickets for our group of co-workers, along with our families, to be able to sit together in the same section cheering on and enjoying a Rush hockey game. It was a pleasure working with you and your proficient sports organization. The professionalism and hospitality extended to our group is much appreciated!

-Pam Wiley, Black Hills Energy

“I would like to thank [the Rush] for hosting our Christmas party at the Rush game... [The staff] did a wonderful job putting everything together for us. Several of our employees had never been to a Rush game and this was a great way to introduce them to the game of hockey. This was a very easy and fun way to have our Christmas party. A GREAT time was had by all.

-Dede Engel, Owner of Pool & Spas, Rapid City
